

# VILLOTA

## *Garnacha*

We always had the feeling that the Grenache vines in La Pajera plot deserved to be vinified separately. This is how this wine was born, the product of time, vision and harmonious vine growing under the rugged holm oak slopes of La Mesa hill.

### VARIETIES

100% Grenache. Vines planted in 1979 on the highest terrace, just on the foothill of La Mesa. Respectful vine growing.

### WINEMAKING

Fermentation in a stainless steel tank to keep the varietal identity. Part of the wine is aged for 6 months in a 500-litre French oak barrel; the rest remains in the tank to preserve the fruit until the final blend is decided.

### TASTING NOTES

Cherry red of medium-intensity. Very expressive nose, with a wide aromatic palette: notes of roses, blackberries and wild strawberries. Warm, with floral nuances. Elegant and textural, very balanced.
