

VILLOTA
LASERNA — LAGUARDIA
RIOJA ALAVESA

Selected plots and vines

With Selección, we began the Villota adventure. They represent our history and our obsession with detail, identity, and elegance.

VILLOTA

Tinto Selección

A top expression of clean, noble, and juicy fruit. It stands out for its finesse and elegance. Our unique and special selection.

VARIETIES

Tempranillo (79%), Graciano (19%), Garnacha and Mazuelo (together make up the remaining 2%). Cultivated with respect for the environment in pursuit of harmony.

WINEMAKING

Each variety ferments separately in its own stainless steel tanks. Aging lasts for 18 months in French oak barrels (from the Taransaud, Darnajou, and Vicard cooperages). Six rackings in total.

TASTING NOTES

Deep, bright garnet. A very balanced and complex nose, with all the elegance of a world-class vineyard. Notes of red fruit, brushwood, spices, and limestone minerality. A structured palate with an extraordinary sense of finesse. Elegant and vibrant.
